

# Water Softener Professional Series FAL-5810WS High Flow

## Experience All the Benefits of Soft Water

### Standard Features

- Premium grade high capacity softening media
- Protective stainless steel jacket
- Integrated bypass valve
- Built-in automatic sediment filtration

**A water softener is always  
the best solution  
for hard water issues  
around the house**

Assembled in the USA

### Benefits of Soft Water in Your Home

- Clothes and linens are cleaner, brighter, softer and last longer
- Dishes, glasses and silverware will be cleaner and spot free
- Soft water prolongs the life and maintains efficiency of all water using appliances: dishwasher, hot water heater and washing machine
- Faucets, fixtures, and pipes will last longer, eliminates hard water deposits and reduces corrosion
- Baths and showers will be more refreshing, leaving your skin feeling smoother and your hair softer and more manageable
- Reduced soap scum, residue and spotting on shower doors, tubs and sinks
- Save money by using less soap, shampoo, dish detergent and cleaners

# Water Softener Professional Series FAL-5810WS High Flow

Quality Water Treatment Equipment
